Introduction

SRC FOR INTERNATIONAL TRADING COMPANY

established in 2023 and has been expanding to cover various activities and considered to be one of the largest and most reputable privately owned companies in the MENA with excellent relationships in both government and commercial sectors.

SRC was set up in UAE, DUBAI as the trading arm of DR. MOHAMMED BIN SUHAIL ALMUHAIRI and his partners, for Trading in gold with the principal aim of providing quality services and products.

OUR FOCUS

Our focus on performance is reflected in our Progress Update, which lays out what we said, what we did and what we will do next in each of our priority areas.

We always have more to do and more to learn. Our corporate responsibility process is helping us do that—functioning as an early warning system, helping us view ourselves from the outside in, and making us a learning organization that can adapt to the threats and opportunities that, in an interconnected world, arise with astonishing speed.

SRC is fortunate. We have a strong culture and great employees, and we work in an industry with boundless possibilities for growth and innovation. But at the end of the day, we have to do the work. With the help of our employees, our partners and our stakeholders, SRC is doing some pretty terrific work to improve people's lives, create a great place to work and make a difference for our customers.

In a long period, we have established ourselves as a reliable supplier within Two Divisions:

(1) Gold Trading Division (GTD)

(2) Financial & Investment Division (FID)

Chairman's Message

As dedicated Investor, we are driven by passion and inspiration in everyday work. Our vision is our DNA: We strive to be a company who professionally, efficiently and in sustainable way manages investments, and creates difference by introducing best business practices in Oman and the entire region.

For us, cooperation and team work are the most important enablers in achieving our goals. We will always work hand in hand and together with UAE Government, its institutions and agencies and local authorities. We tend to gather the best in their expertise and thus we have on board with us partners and names that guarantee success and quality.

Meanwhile we kept ourselves aware of our social responsibility and set up the activity focused on protection of social interests. With a focus on education and enterprise, SRC has developed target programs for local communities, often involving commercial sponsorship and significant employee engagement through direct involvement.

As Investor, we are very proud with accomplishments up to date; we aim at expanding in the nearest future, increase our revenue, and remain committed to our social responsibility. Company wish and commitment is to develop a positive collaborative synergy with the Government of UAE and local authorities, while durably engaging with local communities, through education, training, support and employment opportunities.

I express gratitude to our shareholders, managers and employees - our leading force for their endeavors and immense effort in the accomplishments and success we gain as SRC Investments and for leading to this level. I strongly believe that in a short time we will be the employer people will be even more eager to work for.

We continue to plan and work according to plans set, never forgetting to dream. To have a dream, passion and enthusiasm are crucial enablers for making success long term.

DR. MOHAMMED BIN SUHAIL ALMUHAIRI
